

**2012 NIOSH NPPTL PPT Stakeholder Meeting Presentations
(Day one Breakout sessions and Day two Workshops)**

Last	First	Organization	Presentation Topic
Sporrer	John	NIOSH NPPTL	NPPTL History Overview
D'Alessandro	Maryann	NIOSH NPPTL	General Session - Welcome and Opening - Speaker Intros - NPPTL Mission Slide
LaPorte	Ron	University of Pittsburgh	Theme Based Presentation: Innovative Approaches to Knowledge Sharing in Public Health
Yarbrough	Maryann	Vanderbilt University	Theme Based Presentation: A case example of PPE Selection and Use in the Hospital Environment
Rodriguez	J.A.	Raytheon	Theme Based Presentation: PPE Selection, Use and Expectations from an Industry Perspective
Braun	Barbara	Joint Commission	Healthcare Respiratory Protection Programs: Effective Strategies and Continuing Challenges
Brosseau	Lisa	University of Minnesota	Respirator Evaluation in Acute Care Hospitals (REACH) in Minnesota and Illinois
Fries	Ed	NIOSH NPPTL	Healthcare Break Out Session 1
Fries	Ed	NIOSH NPPTL	Healthcare Break Out Session 2
Joe	Lauren	California Department of Public Health	Respirator Use Evaluation in California Acute Care Hospitals II
Materna	Barbara	California Department of Public Health	Pilot Test of a Resource Toolkit for Program Administrators
Ritchie	Liz	Michigan Public Health Institute	Respirator Evaluation in Acute Care Hospitals (REACH) II: Michigan Data
Rogers	Bonnie	University of North Carolina	Respiratory Protection with PPE of Health Care Workers Project
Cohen	Robert	Cook County Health and Hospital Systems	Physiologic Aspects of Switching SCSRs in an IDLH Atmosphere
Gaggin	Alex	Draeger	Dräger SCSR/SCBA Mining System - not available for public release
Doerr	Donald	NASA Consultant	Cryogenic Life Support System
Fernando	Rohan	NIOSH OMSHR	Future Technologies for Breathing Air Systems
Kimball	Doug	Avon Safety	Smart BA
Kyriazi	Nicholas	NIOSH NPPTL	SCSR Capacity
Pollard	Jonisha	NIOSH OMSHR	Novel Knee Protection for Miners
Ream	Paul	CSE	Clear, Sensible Effective SCSR Training: For a new, High-Performance Device, Information Design Augments Safety and Usability
Sammarco	John	NIOSH OMSHR	Light-emitting diode (LED) cap lamp research
Sammarco	John	NIOSH OMSHR	Light-emitting diode (LED) cap lamp research
Stein	Bob	NIOSH NPPTL	Mining Breakout Overview and Introduction

**2012 NIOSH NPPTL PPT Stakeholder Meeting Presentations
(Day one Breakout sessions and Day two Workshops)**

Last	First	Organization	Presentation Topic
Thomas	Stan	Oregon Occupational Safety and Health Division	Pesticide Handlers Breakout Session 1 - Improving the Ability to Identify Correct Pesticide PPE to Purchase Pesticide Handlers Breakout Session 2 - Improving Universal Safety Culture
Merinar	Tim	NIOSH DSR	NIOSH Fire Fighter Fatality Investigation and Prevention Program
Miles	Stephen	NIOSH DSR	SCBA Facepiece Presentation
Shepherd	Angie	NIOSH NPPTL	Morgantown Transition: Protective Clothing and SCBA FFFIPP Investigations
Shepherd	Angie	NIOSH NPPTL	Improved Criteria for Emergency Medical Protective Clothing

Day two Workshops

Last	First	Organization	Presentation Topic
Coffey	Chris	NIOSH NPPTL	Understanding Respirator Fit Testing
Byrne	David	NIOSH DART	Protect Your Hearing: Understanding Hearing Loss
Williams	Jon	NIOSH NPPTL	Heat Stress Workshop Combined Presentation
Alecia	Alexis	3rd CST	3rd Civil Support Team
Anthony	Robert	Chicago Fire Department	Division of Equipment & Supply - Air Mask Section
Cloonan	Terry	NIOSH NPPTL	Session # 1 & # 2
Edmiston	Robert	Fort Indiantown Gap Fire Department	Fire & Emergency Services not available for public release
Hurley	Scott	San Francisco Police Department	Respiratory Protection
Nevil	Martyn	Pennsylvania Task Force One Urban Search and Rescue	Pennsylvania Task Force One (PA-TF1) FEMA Urban Search & Rescue
Cibulsky	Susan	US Department of Health and Human Services	Mass Human Chemical Decontamination
Brown	Amy	University of Maryland	Part 1: Integrating "Clicker" Technology and a Motivational Message into Pesticide Applicator Training to Improve Adoption of Recommended Safety Practices
Galvin	Kit	Pacific Northwest Agricultural Safety and Health Center	Part 2: Hands-On Training Technique: People Learn By Doing
Kilgore	Darrell	Washington State University	Part 3: Videos in Pesticide Safety Training related to the use of Personal Protective Equipment (PPE)
